Sticky Wall	3 +	2 Children or Adults

- The supervisor should not consume or be under the influence of alcohol, narcotics or medications that adversely affect his or her ability to operate or supervise the inflatable not dissimilar to the responsibility of driving a motor vehicle
- You must cease using the Equipment when directed to do so by the Owner or Owner's Representative's and adhere to any directions or safety instructions provided
- All Equipment is DRY Equipment unless specified (Water Slides). DO NOT wet the Equipment intentionally during the Period of Hire. Additional charges will be applicable if water is found on or inside any Dry Equipment.
- The Hirer is not to attempt to move or allow any person other than the Owner or Owner's Representative to move the Inflatable Equipment once installed without prior consent. Further, all persons are prohibited to tamper with or alter any component, attachment, fixture or fastener pertaining to the safe usage of the Equipment.
- There is to be a minimum of ONE (1) designated and allocated supervisor at all times during the Period of Hire (unless a greater number is specified below under an individual piece of Equipment or Equipment Category). Should the supervisor that received safety training at the time of installation become unavailable during the Period of Hire, it is solely their responsibility to ensure another individual(s) is alerted to the ongoing safety requirements and deemed competent to perform the required activities.

- The hirer of the Equipment and allocated supervisor must be over the age of 18 years.
- Only compatible groups of age and size shall play on the Inflatable Equipment at the same time
- Patrons are to remove any loose items including jewellery, necklaces, sunglasses, hats etc. Footwear is not permitted inside the inflatable. Socks are recommended
- Patrons should not climb any of the inflatable walls and should be removed immediately if found to be doing so
- Food, drink, lollies and sharp objects are strictly prohibited to be taken inside the inflatable
- In the event of wet or windy weather, the rain/shade covers are designed for light rain and gentle breezes only and will not protect patrons from harsh weather conditions
- Weather conditions shall be continuously monitored at all times. Should wind speeds approach 35km/hr, patrons should be removed from the unit and the air blower switched off in order to deflate the unit

- ◆ Ensure adequate light is available during the use of the inflatable.

Recommended usage times are between 7am and 5pm without artificial lighting (this may extend to 6pm in summer months)

- ◆ Monitor anchorage on a consistent basis ensuring all anchor points remain stable and have not come loose. The recommended time between inspections is 30 minutes

BASKETBALL/DARTS/SOCCER DARTS/PENALTY SHOOTOUT/FOOTY

TOSS/TWISTER

- The Inflatable Equipment listed above is NOT an inflatable designed for jumping and is strictly prohibited. The Hirer will be liable for any damages caused from jumping on, against or in any of the Inflatable Equipment listed above

OBSTACLE COURSES/SLIDES (DRY/WET)

- Only 2 (Two) patrons to be at the high point of a slide at any one time
- Back flips, somersaults and similar activity is strictly prohibited

BUNGEE RUN/HUNGRY HIPPOS

- Ensure all harness and karabiners are secured, tight and in working order before commencing activity

GLADIATOR/BOUNCY BOXING/HUNGRY HIPPOS

- Only the nominated number of patrons should be inside the inflatable at any one time. Patrons viewing the activities should remain clear of the inflatable in case of wall flex caused by patrons falling that may cause injury
