

Big news — we're bouncing into a new era

Hi,

After 13 years of putting smiles on Brisbane faces, we're refreshing everything you know and love about us — with a bold new look, a brand new website, and a fresh direction.

You'll still see the same huge range of jumping castles and party gear, and the same commitment to making your event the one everyone talks about. We're just doing it under a new name and a look that better reflects who we are moving forward.

So what's changing?

New Faces. With a new owner and new faces.

A new brand. We're now **Brizzy Jumping Castles** — same business, fresh energy.

A brand new website. Easier to browse, faster to book, and built for how you actually plan a party. Check it out at brisbanejumpingcastles.com.

New ways to reach us. fun@brisbanejumpingcastles.com, 07 48031082 for general questions.

What's staying exactly the same?

Pretty much everything else, the gear, the safety standards, the local knowledge, and the cheeky Brisbane spirit that's kept us going for over a decade. We've just dressed it up in something a little louder.

Have a poke around the new site when you get a chance — and next time you're planning something fun, we'd love to be part of it.

Cheers,

Jason Weier

Owner, Brizzy Jumping Castles

P.S. New phone number, new friendly faces, same ridiculously fun gear. Just a fresh coat of paint.
